HARNESSING THE POWER OF SOCIAL MEDIA TO INSPIRE EDUCATORS TO ENGAGE WITH AAUW

In today's digital era, social media is a powerful tool for connecting like-minded individuals and organizations. AAUW California is launching an exciting campaign with a special focus on LinkedIn advertising to raise awareness among educators about AAUW's mission. This campaign, alongside our other social media efforts, includes a new [educator landing page](#) on our website.

Recognizing educators' vital role in shaping the future through education, we're utilizing LinkedIn, a professional networking platform, to create a dynamic online community. This community fosters networking and is an ideal stage for educating the teaching community

about AAUW's core mission.

We've been hard at work crafting compelling posts, informative videos, and interactive campaigns that shed light on AAUW's commitment to advancing gender equity and empowering women and girls. These materials highlight AAUW's transformative work and its profound impact on the education sector.

Our ads are tailor-made for educators, aligning with their interests and career backgrounds, making it easy for them to learn about AAUW's goals and initiatives.

LinkedIn's professional audience offers a prime opportunity to engage educators and make them aware of AAUW's mission. We're poised to effectively convey our message and foster a deeper understanding of our commitment to a brighter and more equitable future in education.

Exciting news! AAUW California has launched a LinkedIn Company Page, marking a significant milestone in our commitment to connecting with our community and advancing equity in education. We invite you to follow our new LinkedIn Company Page: "[AAUW California on LinkedIn](#)."

By following our page, you'll stay updated on the latest news, events, and initiatives from AAUW California.

MORE SCHOLARS! WE RECENTLY RECEIVED AN ADDITIONAL TEN FELLOWS

Many of them will join our fund video project. Click [HERE](#) for a sneak preview of this year's fellow and grant recipients.

Each scholar will submit a 5-8 minute video highlighting her project or university studies.

Reminder—there will be no weekend Fund events or luncheons this year. All the videos will be rolled into a single set. You and your members can view these online on the AAUW California website beginning November 1st.

Plan to have a watch party at your own branch or IBC luncheon!

Reminder—the next Fund Peer Group meeting is Thursday, October 26th, at 7 pm. Click [HERE](#) to register. The video of the meeting can be found [HERE](#) soon after the meeting.

What I need to know: Several more fellows will prepare on-demand videos to explain their work to branches.

What I need to do: Plan to view the videos after November 1st and consider requesting that a fellow speak at a branch event.

LEADERSHIP TOPICS

WHO WANTS TO LEAD? FIRST YOU MUST PARTICIPATE.

Forming Circles of Engagement:

Identifying and inspiring members to engage in activities, tasks, and programs can be the key to finding future leaders. Create “circles of engagement” by leveraging the connection between the ideas and activities of membership, programs, and leadership to give members several different ways to participate that can bring out emotional connections and build confidence.

B2B Leadership Bonus: Quick Tips for Things to Try

Ask a new member to engage in one activity. Find a task for them to own and encourage them to take the first step. Tasks lead to committees which lead to programs. The Succession Ladder starts here.

MEMBERSHIP TOPICS

DRUM ROLL PLEASE!!! ANNOUNCING THE MEMBERSHIP TOOLKIT LAUNCH PARTY

One year ago, the Membership Committee began work on a resource to help branch leaders with all things membership. Our peer group will be the first to see the final product and we are excited to finally put it in your hands.

Topics that we’ll cover at the peer group toolkit launch will range from:

- branch leadership roles
- attracting new members
- managing membership at national, state, and branch levels
- retaining your members

A team effort went into this toolkit with many iterations along the way. We tried to distill the information and provide links to national and state websites that will make your work easier.

Our focus on growing AAUW membership is taking on new initiatives from the toolkit and launching a vibrant ad campaign on Google and LinkedIn. We can’t wait to share more information about the exciting things ahead!

Please click [HERE](#) to register for the next monthly Branch Development Peer Group on Tuesday, October 24th, at 7 pm. We will be sharing the new toolkit. The recording of the meeting will be

posted [HERE](#) shortly after the meeting.

B2B Membership Bonus: Quick Tips for Things to Try

Invite your board to attend this launch party for the new toolkit. Make sure they receive the invitation that includes the registration link. Let's make it a statewide AAUW celebration!

What I need to know: The new membership toolkit will be shared with the Branch Development Peer Group on Oct. 24th.

What I need to do: Be sure appropriate branch leaders have the link to register.

Should I include this in my branch newsletter? No, this information is for branch leaders only.

COMMUNICATION [TOP](#)

Dawn Johnson, Director, Communication Committee chair, communications@aauw-ca.org

DO YOU HAVE THIS CUTE BLUE  LOGO ON YOUR BRANCH COMMUNICATIONS?
If you do, it is most likely an icon on your website, newsletter, letterhead, email template, etc. It is an embedded link to a LinkedIn page. If it is a link to your branch's own LinkedIn page, no problem. But if it's a link to AAUW California's LinkedIn page, you'll want to change the URL to point to our new LinkedIn Company Page (as explained in Sandi's President's Message). The new URL is: <https://www.linkedin.com/company/aauw-california/>. If you have never added a link to LinkedIn on your communications, now is the time to start. Clicking the icon will take your members to the state page with all the latest social media posts.

Don't panic if you can't take care of it right away. Visitors to the old AAUW California page will get a "We've Moved!" message and be directed to the correct page.

The old page will be deleted sometime later this year, so don't hesitate too long to update your communications.

This is all part of a master plan to get YOU new members!

B2B Bonus: Quick Tips for Things to Try

Speaking of getting new members (and who isn't?), don't forget that we have created a GORGEOUS new flier about AAUW that you can customize to fit your own branch. You can find it [HERE](#). Download it and add your own information directly or contact webteam@aauw-ca.org for help.

What I need to know: The LinkedIn icon on your branch communications should be updated with the URL for AAUW California's new page.

What I need to do: Review your media and templates to see where the icon needs to be updated.

Should I include this in my branch newsletter? No, this information is for branch leaders only

DIVERSITY, EQUITY & INCLUSION [TOP](#)

Charmen Goehring, Director, Diversity, Equity, and Inclusion, diversity@aauw-ca.org

A PLAN TO HIGHLIGHT THE IMPORTANCE OF DEI WORK

Recognizing that inclusion and equity are hallmarks of AAUW, we are taking a step back to create a strategic plan to help guide AAUW California into a future where DEI work is no longer singled out, but is the norm. Increasing the cultural humility of members, especially our leaders, is our focus.

While we work on the development of the strategic plan, we will continue to provide education and resources to branch DEI coordinators to aid in the work within their branches. We will host monthly peer group meetings (third Tuesdays of the month at 5:30) and will share resources on the website. Our next peer group meeting will be Tuesday, October 17th, at 5:30 pm. The invitation went out September 15th. Save this [LINK](#). It will be used for each DEI peer group gathering. The recording of the meeting will be posted [HERE](#) after the meeting.

One important DEI resource is the religious holiday calendar- a first step in being inclusive to all members and potential members is to avoid scheduling meetings and events on major religious holidays. Click [HERE](#) to find the calendar.

We are excited to work together to bring about positive change for AAUW California!

What I need to know: The DEI Committee is continuing to work on plans and will host its next peer group meeting on Oct. 17th.

What I need to do: Be sure appropriate branch leaders register for the peer group meeting. Consult the calendar of religious holidays when planning events.

Should I include this in my branch newsletter? No, this information is for branch leaders only.

GOVERNANCE [TOP](#)

Dianne Owens, Governance chair, governance@aauw-ca.org

BRANCH BYLAWS UPDATE

In spring 2023, AAUW members voted overwhelmingly in favor of changes to the national bylaws. Given the nature of changes to the bylaws, all AAUW branches are required to update their bylaws with these mandated changes. **All branches in California will update their bylaws by June 30, 2024.** Click [HERE](#) to see the bylaws template that we will discuss at the peer group meeting on October 10th.

AAUW's branch boards **can approve the required changes** with a vote of the board – a full vote of the branch membership is **not** required to implement **national-mandated changes** to branch bylaws. Once you have updated the first seven articles as required, and your branch board has approved the new version, please send your bylaws to governance@aauw-ca.org. AAUW California **will save a copy of all branch bylaws and will submit them to AAUW National by their deadline.**

If your other articles (beyond the first seven mandated articles) are changed, your branch membership must approve them by vote at your Annual Meeting held in the spring. After approval by your membership, please send them to governance@aauw-ca.org as stated above.

A Governance Peer Group session will be held on Tuesday, October 10th, 7-8 pm to give you more information and answer questions. The session will be recorded and posted on the website for future viewing. Click [HERE](#) to register as you **must** register for this session if you haven't already done so. Click [HERE](#) to see the video shortly after the meeting.

Hope to see you on October 10th.

What I need to know: AAUW National has mandated that branch bylaws must be updated to incorporate the changes approved by the national membership.

What I need to do: Attend the Governance Peer Group session for an explanation of what must be changed and how. Send your approved, amended bylaws to governance@aauw-ca.org to be forwarded to National.

Should I include this in my branch newsletter? No, this information is for branch leaders only.

PUBLIC POLICY [TOP](#)

Amy Hom and Melissa Maceyko, Directors, Public Policy Committee Co-chairs, publicpolicy@aauw-ca.org

GET INVOLVED AND BE AN ADVOCATE!

The Public Policy Committee held our first bi-monthly virtual peer group meeting for Branch Public Policy Chairs on October 4th. Click [HERE](#) for a video of the meeting.

We introduced the Public Policy Committee, shared legislative updates from AAUW National,

and informed the branch chairs about the various resources that are now available to assist them in their public policy work. We discussed the exciting projects we have planned for the year ahead: developing our Legislative Agenda, engaging in Lobby Days 2024, improving the website, creating a new Social Media Public Education and Action campaign, and of course continuing with the School Board Project, which is already creating quite a buzz. Last but not least, we shared the outcome of AAUW California's legislative agenda for the 2022-23 session.

We hope you were able to join the webinar on September 21st, *Book Banning and Curricula Censorship in California? AAUW California to the Rescue*, presented by Kathi Harper, chair of the School Board Project subcommittee, and panelists Seena Trigas and Jean Slater.

Approximately 250 participants representing 79 branches tuned in to hear about how we can take action to combat the movement in California that seeks to install school board members who want to ban books, censor curricula, and establish policies that are harmful to LGBTQ+ students. We learned about the steps AAUW California is taking to identify and promote school board candidates who share AAUW's values and who will respect the laws that require adherence to the State Board of Education's academic standards, including keeping historically accurate and inclusive books and lessons in the curricula.

Finally, we have some great news on the legislative front. AB 1078, an important bill supported by AAUW California and closely aligned with our School Board Project, was signed by Governor Gavin Newsom on September 25, 2023. AB 1078 "Instructional materials and curriculum: diversity," authored by Assemblymember Dr. Corey Jackson, bans "book bans" in schools, prohibits censorship of instructional materials, and strengthens California law requiring schools to provide all students access to textbooks that teach about California's diverse communities. See the press release [HERE](#).

If you missed the School Board Project webinar, you can click [HERE](#) to find the presentation and the recording.

B2B Bonus: Quick Tips for Things to Try
